

# Calabash Community Park Heritage Bricks

**PROJECT OVERVIEW:** The Town of Calabash has been awarded a North Carolina Parks and Recreation Trust Fund (PARTF) Grant to construct our first park. The proposed Community Park includes a playground, pavilion with stage and picnic area with grills and picnic tables, lawn sports, restrooms, parking, and a walking trail. The park will be located at the corner of Traders Lane and Persimmon Road, adjacent to Town Hall. The PARTF is a matching funds grant and the Town of Calabash is trying to raise funds for our required matching portion through various fund raisers. The Heritage Bricks fundraiser is an exciting way for the community to make the park their own.

**BRICK SIZES AND PRICING:** all bricks are red with black engraving

**4" x 8" Bricks:**

1 to 2 lines of engraving (18 characters max per line) is available for a donation of \$50  
3 lines of engraving is available for a donation of \$75

**8" x 8" Bricks:**

1 to 2 lines of engraving is available for a donation of \$100  
3 lines of engraving is available for a donation of \$125  
4 to 8 lines of engraving is available for a donation of \$150

**Symbols & Logos:**

Some simple symbols (such as a heart) are available for an additional \$25. It is possible that specialized logos can be engraved on the bricks for an additional \$100. If you choose to add a symbol or personalized logo to your brick, you will be contacted for further information. Please, do not include payment for symbols and logos at this time.

**Website Link:**

The Town is exploring the possibility of linking biographies related to the bricks to the Town's Website. It is likely that a picture and a one page biography could be included for the website for those honored with the Heritage Bricks. This package would be available for an additional donation. The Town will contact interested parties at a later date once these specifications have been ironed out.
